

Welcome
to
China Villa Chinese Restaurant

At China Chinese Restaurant, we proudly bring you the most unique gourmet experience in the China. We present an Epicurean tour of China from Peking and traditional cuisine of the Mandarins to the inland provinces and spicy foods of Hunan and Szechuan, to the coastal cities with the more familiar foods of Canton and Shanghai.

At China Villa Chinese Restaurant, we specialize in Mandarin cuisine. In addition, we offer a wide selection of dishes representing all four regional cooking styles.

Hunan and Szechuan - Central and western regions where hot peppers and periphercorns are used as seasonings to make dishes more spicy and savory.

Peking (Mandarin) - Northern capital region where the finest Chef's throughout China were recruited to cook for imperial banquets. Mandarin dishes are well known for their especially delicate flavor.

Canton (Cantonese) - Southern region style noted for its cooking over a light fire, making the food both tender and tasty. This was the style first introduced to America by early Chinese immigrants.

Shanghai - Eastern coastal city cuisine featuring dishes of exquisite delicacy. The Shanghai style is characterized by its slightly sweet flavor and attractive coloring honeyed Shrimp and sweet and sour fish are among its specialties.
